TRACTOR PARTS

# GRAMMER

## Mid Back Seat w/ Air Suspension

**GRAMMER**

- Air suspension for smoother, more comfortable ride
- Replaces original suspension seat
- Self-contained 12-volt compressor is wired to the tractor's electrical system to provide power to the suspension compressor

**Adjustable backrest extension** for extra height on back

**Adjustable mechanical lumbar (back)** supports your lower back with multiple settings and provides extra back support

**Adjustable fold-up armrests** allow easy access to the seat and individual comfort

**Adjustable arm angle control**

**Tapered back support and adjustable backrest** adds comfort and versatility

**Air switch**

**Slide rails provide 8.25" fore/aft adjustment** ensuring operator comfort

**Fore/aft isolator** absorbs jarring for extra comfort

**Weight indicator**

**Durable rubber molded suspension cover** keeps suspension components free of dirt and dust
