

**HY-CAPACITY**  
TRACTOR PARTS

# SEARS

## Mid Back Seat w/ Air Suspension

**SEARS**  
SEATING

- Air suspension for smoother, more comfortable ride
- Replaces original suspension seat
- Self-contained 12-volt compressor is wired to the tractor's electrical system to provide power to the suspension compressor

Mounting Brackets

**Adjustable padded armrests** folds up allowing for easy access and comfort

**Adjustable lumbar support** provides extra back support

**Adjustable backrest angle** adds comfort and versatility

**Air switch**

**Fore/aft isolator** absorbs jarring for extra comfort

**Slide rails** provide 8.25" fore/aft adjustment ensuring operator comfort
